UI/UX Designer | Graphic Designer

📞 9593846389 ✉️ krishanadebnath74672@gmail.com 🌐 <https://www.linkedin.com/in/krishana-debnath/>
📍 Ramnagar, Ranaghat, Nadia, WB, 741201

SUMMARY

Results-driven UI/UX Designer with 5+ years of combined experience in user experience design, visual design, and front-end collaboration across web and mobile platforms. Skilled in user-centered design, usability testing, wireframing, interaction design, information architecture, and high-fidelity prototyping. Experienced collaborating with cross-functional teams, developers, and stakeholders to deliver scalable, accessible digital experiences. Proficient in Figma, Adobe XD, and the Adobe Creative Suite. Proven ability to facilitate usability testing sessions, mentor junior designers, and present design strategies to stakeholders. Strong command of Agile workflows, design systems, WCAG accessibility standards, and data-driven design methodologies.
